

**The American Legion
Essay Committee**

As American Legionnaires, we fully believe that education is the cornerstone upon which the future of America is built. Education becomes the first requisite of good citizenship and the relationship of The American Legion to Pennsylvania citizens is of prime importance as a means of keeping us a free civilization.

Our approach to supporting solid educational principles is direct and positive. We agree with the current PA Department of Education initiative of “writing across the curriculum” and reward the efforts of involved students through our annual essay scholarship program.

Since the inception of the Department of Pennsylvania state Essay Contest in 1935, The American Legion has awarded well over \$500,000 in scholarships, while local American Legion Posts, counties, Districts and Sections have also offered suitable awards and prizes for their respective best essay winners as well.

Through the annual Department of Pennsylvania American Legion Essay scholarship contest, students are provided an opportunity to showcase their talents and abilities in English by using originality, accuracy and research as evidence, while learning that the responsibilities and duties of good citizenship can be both rewarding and fun.
