DATE: October 16, 2013

RE: 2014 BASEBALL BOOSTER DECALS

In order that we may get the 2014 Baseball Booster Decals at a reasonable price, it is important that we place our order with the National Emblem Sales by February 15, 2014.

The decals are an excellent means for you to raise funds to support your American Legion Baseball Program and at the same time give recognition to the people who support your team with donations.

The decals are very attractive and may be placed on any window for everyone to see. Decals are static cling for ease of application and removal.

They are sold in lots of **100 for \$25.00** or **1000 for \$200.00**. **Please add \$5.00 shipping per 100 decals ordered.**

Remember you must place your order by February 1, 2014. The decals will be shipped to you around March 15, 2014.
