***DESIGNATES RULE CHANGES**

The rules printed herein shall apply to the Pennsylvania American Legion Senior League.

American Legion competition shall be played under rules set forth and adopted by the American Legion Activities Committee. To be eligible to compete in the American Legion Baseball Program, all Leagues and Teams must abide by these rules. Failure to abide by these rules will result in immediate disqualification. All Leagues will also abide by the Rules of Professional Baseball, except where stated otherwise.

THE CODE OF SPORTSMANSHIP

I WILL KEEP the rules.

I WILL KEEP faith with my teammates.

I WILL KEEP my temper.

I WILL KEEP myself fit.

I WILL KEEP a stout heart in defeat.

I WILL KEEP my pride under in victory.

I WILL KEEP a sound soul, a clean mind and a healthy body.

Only good sportsmen of good character are the proper men to manage Legion Baseball teams. They must, by precept and example, keep constantly before the players, the true purpose of the American Legion Baseball Program. In other words, a Post Athletic Officer or Team Manager should not consider himself merely a coach with the main objective the winning of games. His big job is to keep uppermost in the minds of the players at all times, the citizenship lessons learned from participating in the program. Every team cannot win championship honors, but every player can win that which is of most importance - the spirit of fair play, loyalty, teamwork, obedience, gameness and democracy.

It shall be the responsibility of the sponsor of the team to see that his team, coach and manager are instructed in the code of sportsmanship prior to the start of each season and to certify that the Pennsylvania American Legion Baseball Rules have been read and explained to his team, manager and coaches.

It is the responsibility of the League Chairman to instruct all team managers that both teams prior to the start of the game line up along the base paths and repeat the Code of Sportsmanship in unison. It is the responsibility of the home team to enforce this rule. Teams violating this rule are subject to a fine of twenty-five dollars (\$25.00), payable to the Director of Activities, and/or disqualification from the program.

WE ARE PLAYING UNDER MAJOR LEAGUE RULES AND NATIONAL LEGION RULES.

ALL ADULTS WILL HAVE TO HAVE A BACKGROUND CHECK THROUGH THE ORGANIZATION THAT IS SET UP BY THE NATIONAL ORGANIZATION.

RULE 1 - PLAYING REGULATIONS

NO TEAM SHALL PARTICIPATE IN ANY GAME OR TOURNAMENT OUTSIDE THE STATE OF PENNSYLVANIA WITHOUT WRITTEN PERMISSION FROM THE DIRECTOR OF ACTIVITIES AT LEAST 30 DAYS PRIOR TO THE GAME OR TOURNAMENT BEING PLAYED.

NO LEAGUE GAME SHALL BE POSTPONED OR RESCHEDULED TO ALLOW ANY TEAM TO PARTICIPATE IN A NON-LEAGUE GAME OR TOURNAMENT. FORM AL#4 SHOULD BE COMPLETELY FILLED OUT AND HAVE ALL REQUIRED SIGNATURES FOR THIS PURPOSE.

THE LEAGUE SHALL SUSPEND ANY MANAGER VIOLATING THIS RULE ACCORDING TO GUIDELINES SET UP.

(A) The Regional or Sectional Director appointed by the Department Commander, in his respective area, shall be the official representative of the Director of Activities. They shall have full and complete authority to carry out the mandates of this program as prescribed by the Director of Activities and the Dept. Activities Committee.

(B) All games shall be played under OFFICIAL BASEBALL RULES as published by Major League Baseball, except as follows:

1. All teams including managers and coaches must be **fully** uniformed alike for batting and infield practice and games. However, any exception to this rule MAY BE approved by the Regional Director, in a written explanation to the Director of Activities, as to why the team

is not uniformed. No team shall go to any Championship Play-off or Tournament without being fully uniformed.

***2.** An official American Legion Baseball insignia, must have either silk screened or embroidered patch, and must be sewn on the left sleeve or left breast of the uniform shirt, or jacket that is worn over top of uniform shirt. This includes all personnel in uniform (manager, coaches and players). Violation of this rule WILL RESULT IN THE REMOVAL OF THE OFFENDER OR OFFENDERS BY THE UMPIRE FROM FURTHER PARTICIPATION IN THE GAME WHEN DISCOVERED DURING THE GAME AND SHALL CAUSE THE TEAM TO BE FINED \$50.00 PER OFFENSE (NOT TO EXCEED \$100.00 PER GAME), SUCH FINE TO BE PAID AND VERIFIED AS PAID BY THE REGIONAL DIRECTOR OR AN ASSISTANT AS SELECTED BY THE DIRECTOR BEFORE THE OFFENDERS MAY PARTICIPATE IN ANOTHER GAME AND THIS FEE TO BE SENT TO STATE HEADQUARTERS. IF ANY OFFENDER PARTICIPATES IN A GAME PRIOR TO THE FINE BEING PAID, THE GAME OR GAMES SHALL BE FORFEITED. IF THE OFFENSE OCCURS IN THE FINAL GAME OF THE SEASON, THE FINE SHALL BE PAID PRIOR TO THE OFFENDING TEAM PLAYING THE NEXT YEAR. The insignia may be purchased from the American Legion Emblem Division, PO BOX 2324, Harrisburg, PA 17105, at a cost of \$1.50 each; check must accompany order. Silk screened patches must have approval from Legion for the use of the emblem.

3. The front of the uniform shirt shall carry only lettering or wording that identifies the name of the Post, Town, Community or Organization sponsoring the team. Numbers may be included. No firm or company whose advertisement reflects the sale or use of alcoholic beverages, or tobacco products shall be permitted to display such advertising on team uniforms.

4. A number at least six (6) inches high must be carried on the back of the uniform shirt.

5. A full baseball uniform consisting of shirt, pants, cap, team hose and baseball shoes must be worn in any game by all managers, coaches and players. Persons in violation of this rule will not be allowed to participate in the game and may be disqualified from further participation in the Pennsylvania American Legion Baseball program.

6. WOOD BATS MUST BE USED. BATS MUST MEET THE SPECIFICATIONS LISTED IN RULE 1.10 a-c OF THE “OFFICIAL RULES OF MAJOR LEAGUE BASEBALL.”

7. The players are required to wear a double-flapped, ear protection helmet, bearing NOCSAE stamp while batting, running bases or on deck. Batboys and girls must also wear a double flapped ear protective helmet while on the playing field. Helmets must meet NOCSAE specifications and bear the NOCSAE stamp on outside of helmet.

a. Players not wearing the regulation helmet will be suspended from the game.

8. While warming up a pitcher, either in or out of the bullpen, catchers, coaches or any person warming up the pitcher must wear a mask **while kneeling or crouching**. Any person refusing to do so will be ejected from the game. Helmets must meet NOCSAE specifications and bear the NOCSAE stamp on outside of helmet.

a. Catchers are also required to wear a protective cup.

b. **Any catcher’s mask that does not have an extended throat protector of at least two (2) inches in length is required to have an attachable throat protector. Umpires and tournament officials shall halt the game until this rule is complied with.**

9. No player may wear or have any object or equipment that will reflect or draw a glare while on the playing field.

10. The official baseball for American Legion Baseball games shall be the baseball adopted by the Department Activities Committee. The baseball adopted for the current year is the Diamond D1 AL PA any may be purchased through authorized dealers. The official baseball must be in the hands of the Umpire-in-Chief at the start of the game in order to have the game counted in the official records. UMPIRES SHALL NOT START A GAME UNLESS THE RULE IS COMPLIED WITH, IF NOT, THE GAME SHALL BE DECLARED A FORFEIT. The official baseball shall be purchased from the Diamond dealers listed with Diamond Sports. Call 617-964-8658 to locate your nearest dealer.

11. Refer to rule 8.06 as it appears in the current issue of the official baseball rules as printed by Major League Baseball. **Exception:** Any player may be removed from the pitching position and remain in the game at another position. **PENALTY for violating this rule:** Forfeiture

of the game if a protest is filed with the umpire in chief before the last out of the game.

12. Each team when on offense may be granted not more than one charged conference per inning to permit the coach or any of his team's personnel to confer with base runner and/or the batter. The umpire shall deny any subsequent offensive team request for charged conference.

13. Only registered players or the three certified adults in the uniform of the team are permitted on the coaching lines. The three adult coaches must be registered with the Department Director of Activities at the time that the players are certified. Only the certified players, field manager, coaches, bat boys, score keeper and certified trainer shall be permitted to sit on the players' bench or in the dug-out. (LEAGUE PLAY ONLY) Refer to Rule 10 for this rule in Tournament play.

14. At all times a bona fide member of the Post should be officially in charge of the team as Business Manager, except as noted in case of outside sponsorship listed in the National Guide.

15. Leagues have the option to play 7 innings in their respective Leagues.

16. ALL TEAMS MUST HAVE IN ITS POSSESSION A PROPERLY SUPPLIED FIRST AID KIT FOR USE AT ALL BASEBALL GAMES AND TOURNAMENTS.

17. Only bats may be used in warming up in the on deck area or in any other location. Weighted bats, devices designed to attach to and remain part of the bat, such as weights or wind resistant foils, are permitted. Sledgehammers, weighted pipes and other heavy paraphernalia are not permitted. Safety of other players and spectators is paramount. Unsafe devices cannot be used.

18. In any exhibition, regular league game, playoff or Regional and State Final games, no player may pitch more than a total of twelve (12) innings or make more than four (4) appearances as a pitcher in combining the total innings or appearances in any three (3) consecutive calendar day period. An appearance on the mound will be governed by playing regulations. Any pitcher may be removed as a pitcher and still remain in the game at another position. However, if a pitcher is removed automatically when the manager or coach makes two (2) trips to the mound in the same inning, that pitcher cannot return as a pitcher in that game. Should a double or triple play cause a pitcher to exceed the

permitted twelve (12) innings in three (3) consecutive calendar days, the action in itself for the purpose of this rule, shall not be constructed as a violation of this rule. Any team in violation of this rule will cause the game (s) to be forfeited in which the player illegally pitched.

Example:

To determine the innings and appearances used and what innings remain for each pitcher:

On Tuesday - Count all pitching and appearances for Tuesday.

On Wednesday - Count all pitching and appearances for Tuesday and Wednesday.

On Thursday - Count all pitching and appearances for Tuesday, Wednesday and Thursday.

On Friday - Count all pitching and appearances for Wednesday, Thursday and Friday.

On Saturday - Count all pitching and appearances for Thursday, Friday and Saturday.

18a. Major League Pitcher Pace of Play Rule will not be observed.

19. BLOOD RULE: If a player suffers from a laceration or other injury where blood is visible, the game shall be stopped at the earliest possible time and the athlete treated immediately. If the injury requires extensive treatment, a substitute shall replace the injured player. (Umpires are directed to give a reasonable amount of time to allow all injured players to be treated.) NO RE-ENTRY IS ALLOWED.

20. Force-Play-Slide Rule. The intent of the force-play-slide rule is to ensure the safety of all players. This is a safety as well as an interference rule. Whether the defense could have completed the double play has no bearing on the applicability of this rule. This rule pertains to a force-play situation at any base, regardless of the number of outs.

- a. On any force play, the runner must slide on the ground and in a direct line between the two bases. It is permissible for the slider's momentum to carry him through the base in the baseline extended.

Exception – A runner need not slide directly into a base as long as the runner slides or runs in a direction away from the fielder to avoid making contact or altering the play of the fielder. Interference will not be called.

- a) "On the ground" means either a head-first slide or a slide with one leg and buttock on the ground.

- b) “Directly into a base” means the runner’s entire body (feet, legs, trunk and arms) must stay in a straight line between the bases.

Clarification

If a runner goes into a base standing up and does not make contact or alter the play of the defensive player, interference shall not be called.

Clarification

If the runner goes into a base standing up and is safe or out, but makes contact with or alters the play of the defensive players, interference shall be called.

- b. Contact with a fielder is legal and interference shall not be called if the runner makes a legal slide directly to the base and in the baseline extended.

Clarification

If contact occurs on top of the base as a result of a “pop-up slide, this contact is legal.

- c. **Actions by a runner are illegal and interference shall be called if:**

- a) **The runner slides or runs out of the base line in the direction of the fielder and alters the play of the fielder (with or without contact).**
- b) **The runner uses a rolling or cross-body slide and either makes contact with or alters the play of the fielder.**
- c) **The runner’s raised leg make contact higher than the fielder’s knee when in a standing position;**
- d) **The runner slashes or kicks the fielder with either leg;**
or
- e) **The runner illegally slides toward or contacts the fielder even if the fielder makes no attempt to throw to complete a play.**

PENALTY for a-e

- 1. With less than two outs, the batter-runner, as well as the interfering runner, shall be declared out and no other runner(s) shall advance.
- 2. With two outs, the interfering runner shall be declared out and not other runner(s) shall advance.

3. If the runner's slide or collision is flagrant, the runner shall be ejected from the contest.

Clarification

If the bases are loaded with no outs, a double-play attempt is made, and interference is called, all other runners must return to their original bases.

21. COLLISIONS. The American Legion Baseball Committee is concerned about unnecessary and violent collisions with the catcher at home plate, and with infielders at all bases. The intent of this rule is to encourage base runners and defensive players to avoid collisions whenever possible.

- a. When there is a collision between a runner and a fielder who clearly **is in possession** of the ball, the umpire shall judge.

1. Whether the collision by the runner was avoidable (could the runner have reached the base without colliding) or unavoidable (the runner's path to the base was blocked) or

2. Whether the runner actually was attempting to reach the base (plate) or attempting to dislodge the ball from the fielder.

PENALTY: If the runner (a) could have avoided the collision and reached the base, or (b) attempted to dislodge the ball, the runner shall be declared out even if the fielder loses possession of the ball. The ball is dead and all other base runners shall return to the last base touched at the time of the interference.

Approved Ruling 1: If the fielder blocks the path of the base runner to the base (plate), the runner may make contact, slide into, or collide with a fielder as long as the runner is making a legitimate attempt to reach the base or plate.

Approved Ruling 2: If the collision by the runner was **flagrant**, the runner shall be declared out and ejected from the contest. The ball shall be declared dead.

If the defensive player blocks the base (plate) or base line **clearly without the ball**, or is not in the immediate act of catching the ball, obstruction shall be called. The runner is safe and a **delayed dead ball** shall be called.

Approved Ruling 3: if the runner collides flagrantly, he shall be declared safe on the obstruction, but will be ejected from the contest. The ball is dead.

MALICIOUS CONTACT: The Baseball Committee is concerned that some coaches may not have explained to their players that malicious contact is illegal. The majority of intentional collisions occur at home plate where the catcher is blocking the plate. Runners should be instructed to slide directly to the plate, or away from the catcher, or to avoid making contact with the catcher especially when the defender is in possession of the ball. Any player who, **in the judgment of the umpire**, maliciously runs into another player is automatically ejected, and is declared out. Our umpires have been instructed that if there is any intentional and excessive force, or if there is any intent to injure another player, the offending player shall be removed from the game. Malicious contact penalty will be enforced whether committed by an offensive or defensive player.

of - who conduct themselves off or on the field in a manner not conducive to the best interest of the American Legion Baseball program or who will not comply with the regulations pertaining to the rules of the American Legion Baseball program.

11. Force-Play-Slide Rule. The intent of the force-play-slide rule is to ensure the safety of all players. This is a safety as well as an interference rule. Whether the defense could have completed the double play has no bearing on the applicability of this rule. This rule pertains to a force-play situation at any base, regardless of the number of outs.

a. On any force play, the runner must slide on the ground and in a direct line between the two bases. It is permissible for the slider's momentum to carry him through the base in the baseline extended.

Exception – A runner need not slide directly into a base as long as the runner slides or runs in a direction away from the fielder to avoid making contact or altering the play of the fielder. Interference will not be called.

1. "On the ground" means either a head-first slide or a slide with one leg and buttock on the ground.

2. "Directly into a base" means the runner's entire body (feet, legs, trunk and arms) must stay in a straight line between the bases.

Clarification

If a runner goes into a base standing up and does not make contact or alter the play of the defensive player, interference shall not be called.

Clarification

If the runner goes into a base standing up and is safe or out, but makes contact with or alters the play of the defensive players, interference shall be called.

b. Contact with a fielder is legal and interference shall not be called if the runner makes a legal slide directly to the base and in the baseline extended.

Clarification

If contact occurs on top of the base as a result of a "pop-up slide, this contact is legal.

c. Actions by a runner are illegal and interference shall be

called if:

- a) The runner slides or runs out of the base line in the direction of the fielder and alters the play of the fielder (with or without contact).
- b) The runner uses a rolling or cross-body slide and either makes contact with or alters the play of the fielder.
- c) The runner's raised leg make contact higher than the fielder's knee when in a standing position;
- d) The runner slashes or kicks the fielder with either leg; or
- e) The runner illegally slides toward or contacts the fielder even if the fielder makes no attempt to throw to complete a play.

PENALTY for a-e

1. With less than two outs, the batter-runner, as well as the interfering runner, shall be declared out and no other runner(s) shall advance.
2. With two outs, the interfering runner shall be declared out and not other runner(s) shall advance.
3. If the runner's slide or collision is flagrant, the runner shall be ejected from the contest.

Clarification

If the bases are loaded with no outs, a double-play attempt is made, and interference is called, all other runners must return to their original bases.

12. BLOOD RULE: If a player suffers from a laceration or other injury where blood is visible, the game shall be stopped at the earliest possible time and the athlete treated immediately. If the injury requires extensive treatment, a substitute shall replace the injured player. (Umpires are directed to give a reasonable amount of time to allow all injured players to be treated.) **NO RE-ENTRY IS ALLOWED.**

13. COLLISIONS. The American Legion Baseball Committee is concerned about unnecessary and violent collisions with the catcher at home plate, and with infielders at all bases. The intent of this rule is to encourage base runners and defensive players to avoid collisions whenever possible.

- a. When there is a collision between a runner and a fielder who clearly **is in possession** of the ball, the umpire shall judge.

1. Whether the collision by the runner was avoidable (could the runner have reached the base without colliding) or unavoidable (the runner's path to the base was blocked) or
2. Whether the runner actually was attempting to reach the base (plate) or attempting to dislodge the ball from the fielder.

PENALTY - If the runner a) could have avoided the collision and reached the base, or b) attempted to dislodge the ball, the runner shall be declared out even if the fielder loses possession of the ball. The ball is dead and all other base runners shall return to the last base touched at the time of the interference.

Approved Ruling 1: If the fielder blocks the path of the base runner to the base (plate), the runner may make contact, slide into, or collide with a fielder as long as the runner is making a legitimate attempt to reach the base or plate.

Approved Ruling 2: If the collision by the runner was **flagrant**, the runner shall be declared out and ejected from the contest. The ball shall be declared dead.

If the defensive player blocks the base (plate) or base line **clearly without the ball**, or is not in the immediate act of catching the ball, obstruction shall be called. The runner is safe and a **delayed dead ball** shall be called.

Approved Ruling 3: If the runner collides flagrantly, he shall be declared safe on the obstruction, but will be ejected from the contest. The ball is dead.

Malicious contact: The Baseball Committee is concerned that some coaches may not have explained to their players that malicious contact is illegal. The majority of intentional collisions occur at home plate where the catcher is blocking the plate. Runners should be instructed to slide directly to the plate, or away from the catcher, or to avoid making contact with the catcher especially when the defender is in possession of the ball. Any player who, **in the judgment of the umpire**, maliciously runs into another player is automatically ejected, and is declared out. Our umpires have been instructed that if there is any intentional and excessive force, or if there is any intent to injure another player, the offending player shall be removed from the game. Malicious contact penalty will be enforced whether committed by an offensive or defensive player.

RULE 15 - INSURANCE

Any team playing in American Legion non-legion sponsored tournaments will not have Insurance coverage.

Teams playing exhibition games, other than Legion teams, must have such games on schedule at the beginning of the year and be approved by the sponsor, Region Director and Activities Director.

It is compulsory that all American Legion Baseball Teams have Accident and Health Insurance coverage as well as Liability coverage.

Senior baseball insurance inquiries should be directed to: S. A. Van Dyk Insurance Co., Inc at 1-800-323-7326.
