AMERICAN LEGION RIDERS

Department of Pennsylvania

This manual is to serve as a guideline to the Officers and Directors of the American Legion Riders, Department of Pennsylvania. The online digital format of this manual supersedes all printed versions of the manual, unless updated to the current date version. Periodically this manual will be revised to maintain compliance with Department and National directives and policies. All versions of this manual remain the property of the American Legion, Department of Pennsylvania.

American Legion Riders, Department of Pennsylvania, are a program of The American Legion and follows directives from the Department of Pennsylvania American Legion. Any policies, procedures, rules, requirements, or directives not authorized or originally derived from The American Legion, Department of Pennsylvania, are not valid. The American Legion, Department of Pennsylvania, will maintain current with directives from The American Legion National and subsequently approved by the Department of Pennsylvania.

American Legion Rider Chapters are to be first authorized by the Post Commander, then considered by the American Legion Department of Pennsylvania for a charter. Once a Chapter's Charter is issued, the Chapter must remain in good standing with the issuing Post. The relationship between the Post and Chapter is an integral part of the overall success of the Chapter. The ALR Chapter is intended to support the efforts of the Post. Without this relationship the overall mission of the Chapter is compromised. It is important to understand The Legion Riders are a program of the American Legion, just as the Sons of the American Legion (SAL). The purpose of these programs is to properly represent The American Legion, create awareness of the work it does for Veterans and the community and act as a recruiting tool to sustain the growth of the American Legion.

Introduction

While this Guide is intended to assist the furtherance of the American Legion Rider Program within the Department of Pennsylvania American Legion, it is NOT intended to be the final reference or to answer each and every possible scenario that you will undoubtedly encounter.

Please keep in mind that The American Legion Riders is a Post Level program by design. The Constitution and By Laws of the National American Legion, The Department of Pennsylvania and your individual Posts are the primary documents to which you should always refer to when a situation arises.

Your Chapter By-Laws or operating document should always incorporate these documents by reference and defer to them in the event of a conflict.

Other references are National and State resolutions which have been approved, minutes from past Department ALR Committee meetings, past meeting minutes of the Pennsylvania ALR State Membership, minutes from District meetings as well as your own Post Legion Meetings.

Posts that have Riders chapters generally bring in younger, more active members to the Post. If a Riders chapter is being run correctly, most Posts consider them a huge asset in increasing membership and getting things accomplished at the Post. This is a “Win-Win” for Posts that begin Riders Chapters. The Legion Family membership and bring in active members. We suggest that when a post wants to start up a Riders Chapter, they Start a sign-up sheet at your Post for anyone interested in being a RIDER. Have them provide Name, Telephone Number and E-mail address.

State ALR Officers will assist you in starting a chapter but, as an American Legion Program, IT IS ULTIMATELY A POST LEVEL AMERICAN LEGION MEMBERSHIP DECISION. Keep this in mind.

Every effort was used in preparing this manual to refrain from using gender specific pronouns like he, His, him she, hers and so forth. Any overlooked references were unintentional and should be considered as applying to both genders.

The American Legion Riders...

The American Legion Riders are members of the American Legion who are also motorcycle enthusiasts. They can be found participating in parades, partaking in motorcycling events, and supporting the communities in which they live, work, and play. Members of the ALR come from the Legion, the Legion Auxiliary, and the Sons of the American Legion. The American Legion Riders were formed...

...to participate in parades and other ceremonies that are in keeping with the Aims and Purposes of the American Legion.

...to promote motorcycle safety programs and to provide a social atmosphere for American Legion members who share the same interest.

...to use our Association to promote and support programs of the American Legion.

The American Legion Riders is *not* an M/C and does not practice M/C rules or regulations. The American Legion Riders is family-oriented, just as is its parent organization: the American Legion.

American Legion Riders History

The Beginning of the American Legion Riders

In the fall of 1993 Chuck (Tramp) Dare shared a dream with then Post Commander (Polka) Bill Kaledas at the American Legion Post 396 in Garden City, Michigan. The idea came about to start a motorcycle association that would operate within the American Legion. The idea was to provide an atmosphere whereas Post, Auxiliary and S.A.L. members, who shared an enthusiasm for motorcycles, could come together. It was meant to be a family-oriented group.

Not knowing how to start this group up, and stay within the scope of the American Legion, a letter was written to then Department Adjutant Hubert Hess. In his November 19th, 1993, reply he stated that it “Sounds like a great idea”. In this letter, and follow-up phone conversations, he gave us instructions on how to manage this program at our Post. He also provided us information on how to get approval for the use of the American Legion Emblem. We then sought to get this program recognized through our Post Membership. The idea was brought up at our Post meeting to have our Post sponsor the group to be known as the “American Legion Riders”. It was passed by our members and thus became the birth of the first American Legion Riders group.

We started with just a small group. Within a few months we grew to nineteen members. We worked on developing a set of by-laws to help us to provide structure to our group. We designed an emblem for the American Legion Riders. This emblem, contained within its design, the emblem of the American Legion. Working closely with our Department Adjutant we were able to gain approval, by the national headquarters of the American Legion, to have our emblem manufactured for our group. This emblem is worn today by Legion Rider groups throughout the country.

Another important decision we made, with concurrence of our Department Adjutant, was to not require members that wanted to become legion Riders to transfer to our Post. Our Post sponsored the American Legion Rider group, but not all our members belong to our Post. We felt that if we required members to transfer to our Post that this would cause a lot of hard feelings in other Post near our own community. What we soon found out was that our membership grew, not from current legion members, but many joined the American Legion to become members of the American Legion Riders. A very conservative estimate would say that over half of our current membership joined the American Legion to enable them to join the Riders.

Right after starting we proceeded to get down to “business”. Our objective was to support the aims and purposes of the American Legion, through service to our Community, State and Nation. We did such things as putting on a “Bingo” at the VA Hospital, putting on fundraisers for local charities, participating in motorcycle “runs” to raise money for charity and participation in ceremonies and parades. We did have some Post members who thought, in the beginning, that we would be just a bunch of “Bikers”. After seeing the kinds of things, we did, we gained a lot of respect in both the American Legion community as well as our own community.

In 1996 we had an article published about the American Legion Riders in the American Legion National publication of the "Dispatch". An article in the American Legion Magazine soon followed up this article. In about 1996 "Tramp" moved to Texas, where he did a great job of promoting the Legion Rider program there. Today, there are groups of American Legion Riders throughout the country.

STARTING A CHAPTER

A few members of your Post like to Ride Motorcycles and you would like to help your Post and your Community. Where do you start?

1. You will need five (5) Legion family members in good standing (they do not have to be a member of the same Post) who meet the eligibility requirements set forth in the ALR of PA Constitution.
 - a. Director, Assistant Director, Secretary, Treasurer and Road Captain.
2. You will need to speak with your Post Commander and ask for the subject of an ALR Chapter to be brought up at the next General Membership Meeting. At that meeting, you should request the Post's permission to form an ALR Chapter. It's a good idea to have an ALR State Office or Regional Director to be present to help answer any questions the membership may have about the ALR.
3. You must have authorization of your sponsoring American Legion Post Commander, stating they recognize the American Legion Riders as a program of the Post and assume the liability of such program by way of a letterhead from your post. You will need motion from the floor, properly seconded and a majority of the members present will need to vote for the formation of a chapter. Once this is accomplished, a copy of the post meeting minutes will be needed to submit with the Charter Application and the example letter below. This should be signed by the post commander and adjutant, and sent to The American Legion, Department of Pennsylvania at the address listed below.
4. You can now hold an "Organizational Meeting" to select temporary officers, establish who will be responsible for submitting the needed documents to Department, how much you are going to charge for dues (Most chapters charge \$10 or more and keep in mind that \$5.00 will be sent to Department ALR as per capita), and decide who will order back patches for the group. An ALR State Officer or Regional Director should also attend this meeting to help and make sure the meeting is conducted properly, recorded and also review the check list before approving a new chapter.
5. You will want to approach the Sons of the American Legion and Auxiliary at their meetings to inform them of your Chapters formation and invite any eligible members to join the chapter as well.

6. You will need your charter packet which is submitted to the Membership Department at Headquarters along with a check for \$5 per member.
7. You will want as many of your members to attend this meeting as possible so they can learn about the ALR.
8. You can officially start your chapter once charter is received.
 - a. Elect a slate of officers
 - b. Open a bank account (which will use the Post's Federal ID # and must have the Post Finance Officer as a signatory on the account)
 - c. Start planning fundraising events.

Example Letter:

To: Adjutant, Department of Pennsylvania:

The Chapter _____ ALR group will comply with the National American Legion Riders by-laws, the Pennsylvania American Legion Riders department by-laws and the Chapter _____ American Legion Riders by-laws.

The Chapter _____ American Legion Riders will also comply with the House Rules of all Posts and will in good faith execute the same.

Installing Officer: “As I call your name, please form a line in front of me beginning on my right and forming to the left.”

Director _____

Assistant Director _____

Treasurer _____

Secretary _____

Road Captain _____

Installing Officer: “My fellow American Legion Riders, you have been chosen to fill the various offices of the Legion Riders of _____ Chapter # _____. Familiarize yourselves with the duties of your offices and carry out those duties with the same spirit from which arose The American Legion Family.

The Legion Riders consist of all affiliated American Legion organizations, Legionnaires, Auxiliary and Sons of the American Legion. The welfare and success of this organization depends on you, as does the preservation of the integrity of The American Legion. Protect the good name of The American Legion with the people of our great Nation; help them to know the Legion’s purposes and policies. Remember the tolerance that animates us as members; remember there is no rank among us for we all serve as equals. We all are aiming for the same goals – the ideals of Justice, Freedom, Democracy and Loyalty.

“Remember, too, the cardinal principles of The American Legion are “The rehabilitation of all disabled veterans:

The care of the dependents of those who’ve answered the final call.

The care of those who now are suffering from wounds, disease and want; “The education of our children...” And Service to the Community, State and Nation.

Installing Officer: "I, _____, do solemnly pledge myself / to perform faithfully and impartially / the duties of the office of / The American Legion Riders / I am about to assume, / and I further pledge / I am not a member of / and do not subscribe to / the principles of any group opposed to our form of government.

Installing Officer: "Hands down."

(The Installing Officer will have the incoming Director approach the podium.)

Installing Officer: "To you Director _____, are entrusted very important duties. You must teach and protect the cardinal principles of The American Legion throughout your group. You are entrusted with the supervision of the duties of all officers of the Legion Riders. The poor and troubled will come to you and you must see no veteran is turned away without full justice. "Loyalty to your Chapter – to its membership – to the Post, to the Department and National Organizations are obligations which you now assume. "You are more than the presiding officer for meetings; you are guided by the Constitution and the decisions of the group; yet the responsibility of the year's programs is on your shoulders. You must initiate programs and carry them through to completion. You must familiarize yourself with the traditions of your Chapter and The American Legion.

"By your sincere acceptance and earnest performance of these duties, may the trust your fellow Riders have reposed in you be justified.

"I extend to you the congratulations of the Department of Pennsylvania and I wish you well as you assume the responsibilities of your office."

1. (The Installing Officer moves to original position and asks all newly installed officers to face the members and guest in attendance.)

Installing Officer: "Ladies and Gentlemen, I present to you the officers of your choice for the _____ Chapter # _____ American Legion Riders. I congratulate you on the selections you have made. You have chosen them, now it is your duty to aid them in every way.

And Riders, you ride hard, ride fast, ride long, and ride safely for the principals and ideal of the American Legion. Congratulations!

Ever remember that the cardinal purposes of The American Legion Riders are: The rehabilitation of our disabled comrades; To maintain the care of the dependents of those who have answered the final call; To support those who are now suffering the ravages of wounds, disease and want, and to help provide a rightful education of the children of our Country, and provide devoted service to the community, state and nation.

You will raise your right hands and repeat after me, giving your names where I give mine: I _____do solemnly pledge myself ~ to perform faithfully and impartially ~ the duties of the office in The American Legion Riders ~ I am about to assume ~ and I further pledge am not a member of ~ and do not subscribe to the principles of ~ any groups opposed to our form of government. *(You may lower your hands)*

Installing Officer to Membership Chairman:

To you is given the charge of membership. It is the Life's blood of your organization. You must nourish and provide guidance to your members. You must provide a recruiting platform for your chapter, one which can be followed by all members in helping to make your Chapter grow. You will be the Assistant Director's confidant in matters concerning membership. Your responsibilities will be to report monthly at the regular meeting the status of your membership. Report on recruiting programs and their success, and introduce new members to your Chapter Director and the board members. Your position is an important one for without sufficient membership your Chapter will not be able to serve the aims and goals of serving our Veterans and the American Legion Riders organization.

Installing Officer to Historian: Your office is an important one. To you is given the responsibility of preserving and compiling the records of this Chapter. The History of the Chapter is your responsibility. The future can only be judged by the past. Be mindful that the lamp of recorded experience may do much in guiding the footsteps of those who follow. Ever remember that without the recorded history of this Chapter, its policies and accomplishments will be blank to the ones who come after we are gone.

Installing Officer to Sergeant-at-Arms: You will guard against the loss of one of The American Legion Rider's greatest possessions...our deep and abiding spirit of comradeship among our American Legion Family members. Into your hands is given charge of the stand of colors, which you will properly display at all Chapter meetings and on ceremonial occasions. You will prepare the meeting halls for all official functions as well as maintaining order during those functions. You will learn the identity of and introduce to the Director and members all visiting riders and guests of the Chapter. You will also assist the Chapter Road Captain during all group rides in helping to maintain the integrity, safety, and awareness of your Chapter during group runs...You are the sentinel of this Chapter

Installing Officer to Chaplain: To you is given the spiritual leadership of this Chapter. You will, I know, lend dignity and respect to your office. You should be in close confidence with the Director and the other officers of this Chapter, and should attend all meetings of the Chapter. You should be ready, upon occasion, to take your part in the initiation of new members, the dedication of halls, monuments or colors, and the funeral services for a fellow rider. Into your keeping we place the spirit of comradeship of this Chapter. May harmony and unity prevail.

Installing Officer to Road Captain:

Your position is one of the most important in your ALR Chapter, you are an integral key and should maintain the highest standards of professionalism and operational awareness. Group rides require extreme vigilance and awareness, qualities you will need to instill in your riders. You are responsible for maintaining the integrity of the Chapter during any rides. This will include taking into consideration the route, riding conditions, mechanical condition of the motorcycles, and experience level of the riders. Additional responsibilities to your Chapter and its riders will be that of educating and informing your riders of any pertinent information available for safe motorcycle operation. The health and well being of your riders with respect to safe operation of their motorcycles is in your hands. To you is tasked the monumental responsibility of maintaining the Safety of your Chapter riders.

Installing Officer to Treasurer: You are the keeper of the moneys and in you is reposed the financial policy of the Chapter. You are the Chapter Directors representative on all financial matters concerning your Chapter. To you is given charge of the year's budget and to you is given the duty of the payment of any obligations when proper authorization has been given for such payment. Your position is an important one, demanding integrity and honesty. Your election to this office signifies that your fellow riders have implicit trust in you. Guard well that trust.

Installing Officer to Secretary: My fellow rider, you have been chosen to assist your Director in the wise and effective administration of this office and to serve not only your fellow riders, but those whose relationship to our organization has led them to look to us for guidance and relief. You will find your duties many, varied, and at times taxing of your crowded hours and resources. The successful accomplishment of your program depends, to a great extent, upon your performance of the duties of your office.

Installing Officer to Assistant-Director: To you is given the responsibility of an active cooperation between yourself and the Director. Particularly, you should interest yourself in the Rider membership of the Chapter. You should be assisted by the Membership Chairman or the most active and devoted members. No single factor has so important an influence in the Chapter's causes as membership. You will be the exponent of means of safeguarding the honor of the Flag of our Country. To you are committed these endeavors with the expectation that you shall fulfill each and every one of them. You are the teacher of Democracy.

Installing Officer to Outgoing Director: My fellow rider—you have just completed a year of impressive service to The American Legion Riders, Chapter, _____ and to the _____ Region. The record of your Chapter, indicates the quality of that service. Through your earnest performance of the duties of leadership, you have truly justified the great trust, which your Chapter members reposed in you. Although the mantle of leadership is now being passed to another, a greater responsibility remains with you. You possess a great knowledge gained through your leadership experience. Place this wisdom at the disposal of your successors in order that your fellow riders may benefit. Through your station maintain the principle of "Freedom" within this Chapter. On behalf of Region ____ and the State Board, I thank you for the splendid service you have rendered The American Legion Riders, and The American Legion Department of Pennsylvania...a job well done!!...

You are guided by the Constitution, by-laws, and by the decisions of the Chapter as a body, yet the responsibility for the success of the year's program sits squarely on your shoulders. You must initiate your programs and carry them through to completion. You must thoroughly familiarize yourself with the policies and traditions of your Chapter and of The American Legion Riders. Regional Director American Legion Riders Pennsylvania

Duties of a State Regional Directors. The State Regional Directors will assist new chapters that wish to form. Visit each chapter in the region to ensure compliance to the State ALR mandated By-Laws. Ensure that all state information is given to the chapters in their region. Report on the region at all State ALR Executive Committee meetings.

Recommended duties and responsibilities of the Regional Director.

Keep good records of all rosters and officers for each chapter including contact information. Communication between the chapters, regional director, state director and department are essential. Without good communication we can not operate or grow as an organization.

Keep the State Director informed of major activities and status of each chapter ie new chapters, closing chapters, major rides, events and any disruptions that may occur. The State Director needs Regional Directors give notice of any potential disruptions.

Act as a liaison between Department, State Director and Chapters for information and membership.

Monitor on at least a monthly basis the Department web site membership Region and Chapter summaries. These reports show the membership status of each region and chapter. Go to <https://pa-legion.com> scroll to bottom look for 'Membership'. Select membership and each region and chapter will appear with number of members, type (Class A, SAL, Aux). It is important to communicate to the officers of each chapter the importance of keeping up the 'per capita' dues.

Ensure officer cards and rosters are submitted on time to the Department membership personal.

Attend DEC and Convention. Within 2 weeks of DEC or Convention a Regional meeting should be held to transmit information received from DEC and Convention. This is a great time to share rides and info between chapters. Also, it is the time to solicit ideas, answer questions and record questions and concerns for the next DEC and Convention. No problems are solved unless someone presents them.

Attempt to solve any disputes between the post and chapter. Intervention diplomatically can save a chapter from failure.

Be accessible to all members in the region. Provide phone numbers, email and paper mail addresses. You must be there for the membership.

Be active in rides hosted by chapters.

It is helpful to have a data base of all officers for each chapter.

Promote the Riders at County and District meetings. Attend the meetings and keep everyone informed of what the riders are involved in. The more Post Commanders and District Commanders know about our organization and the good we do the better. This where support for the riders begins,

Take part and encourage our members to take part in Post activities. The more we do for the Post the more they will do for us.

Encourage chapter members to attend Post meetings and hold offices within their Posts. There is a lot of information passed along at the Post level that chapter members should be aware of.

Monitor Consolidated Chapter Reports (CCR). These reports need to be submitted to the Regional Director May 1 who sends them to our Committee Chairperson. A copy should also be supplied to the sponsoring post for incorporation into the Post Consolidated Report (PCR). This is information that is needed and shows the post the importance of maintaining an ALR Chapter.

Visit each chapter in your region at least annually. This is important if for nothing else it shows the chapter you are interested in them.

Ensure each Chapter and Post Commander has a copy of our current Constitution, By-Laws and Officer and Directors Manual. This is important for oversight of each chapter by the post.

The attitude of the Regional Director should be 'How can I make my Region better than it was when I came into office.' This includes meetings, record keeping, monitoring activities and most importantly communications.

Keep in mind if you accept the position be prepared to perform the duties of director to the best of your ability. Your Chapters, Committeeman, Posts, Department, and members depend on you.

Ensure all chapter officers maintain their chapters in accordance with the Constitution and By-Laws to avoid anyone bringing discredit to our organization. i.e. When and where to display the ALR logo on vests, who can represent the riders and actions during benefit runs.

As a Regional Director you do not have the ability to dictate or restrict chapters and their activities. You do have the ability to advise.

Consolidated Chapter Report (CCR) - Instruction Sheet

CCR run from May 1st to April 30th. Reports due to the Regional Directors by May 15th. Regional Directors report to the Committee Chair-person by June 1st each year.

Purpose: The CCR is designed to log your Legion Rider Chapter's activities. The American Legion is a volunteer non-profit organization. To product our non-profit status, good policy is to report activity by volunteer hours and charitable giving. This information gives your Regional Director, State President, Department Commander and National Commander the consolidated data to report the good work of the American Legion.

Recommended Practice: Your Chapter Secretary should maintain the CCR on a monthly basis. During your monthly chapter meeting while discussing upcoming events or the success of a past event, the necessary data is available to update the report. This practice will have you prepared for yearend and send to your Regional Director. You can use this form in an electronic form or print and hand write the information. When using it electronically it will allow you to total you activity and save the form with your annual history. If you print and hand write, you can take a picture of the completed form and email/text to your Regional Director.

Example CCR Form: When you download the CCR form from the website, save it as your own Chapter for example; ALR10CCR2017. This will indicate to your Regional Director which chapter's form they have and from what date period.

Report Columns/Fields

Reg. = Regional Number

Chap. = Your ALR Chapter Number

Date = Date the event or activity took place. This name should indicate the location.

Event Type = Try to use the listed names below. This will allow the list to be sorted when all State data is consolidated. This will provide a total of how many hours were volunteered for funerals, money donated to veterans home or funds raised, etc.

Visit —A group visit to a veteran's home, hospital or other veteran's organization.

Community — Attended and supported a community service based event.

Fundraiser —This should be used for all events where you raise money, if the money is intended for a specific charity or for your general account to use for a future charity.

Parade – Use this for parade you participated in and how many man hours total, each rider times the amount of hours for the ride.

Funeral —This should be used for Flag Lines, Escorts, and grave side services. Report the total man hours, each rider times the amount of hours.

Donation — Any donations made to a person or organization.

Social Media Use

By now, most folks understand the wonders of Social Media. Free Advertising for our events, quick communication with our members, electronic reminders of upcoming rides and special events. Facebook and other social media sites are a very useful tool. Chapters are strongly encouraged to participate and use social media to help them in their mission.

However, social media can also be mis-used and abused, casting an ugly shadow on our organization. All members should be counseled on its use and proper protocols for representing the American Legion Riders and the American Legion.

Individual members should not use ALR or Legion

Logos as their profile picture. Photographs of the member wearing their vest is acceptable.

A legion cover or ALR hat or beret should not be worn in Profile photos.

Social media should be used to promote our events and programs. It should NEVER be used to air complaints or disagreements. The regular meeting of the Chapter or Post is the ONLY place these should be discussed.

Each member has their own social media page, and they have the freedom of speech right to post whatever they choose on their own page. The problem with this is that when another person “shares” or “re-tweets” some derogatory remark, it becomes public domain and could lead to legal issues the member didn’t intend. Best advice to give members is to keep the business of the Chapter in the Post. Not on social media.

If you advertise an event on social media and there shall be no mention of “Poker or Dice Run”, it goes against Small Games of Chance rules .

Any Chapter or Post “groups” or “page” must be free of anything political in nature and no endorsement of any political candidate or party is allowed on these pages. Individual members are free to express their political views on their own pages, but these comments must not be “shared” on a Post or Chapter page. The American Legion is a non-political nonprofit organization and under its charter from congress, must remain that way.

Photographs of ALR vest wearing members at non-legion sanctioned events being posted to social media have created some issues for several chapters in the past. Best advice for our members is not to wear the vest if they are participating in another organization’s festivities. Everyone has a camera, and you may not know if

your picture is being taken and put up on dozens of social media sites within minutes. And we all know, once an image is uploaded to social media, it can go viral.

A Chapter Page should have more than one administrator. The Chapter Communications Officer, the Chapter Director and maybe even the Post Public Affairs Officer should all be Admins or Moderators. If a page admin is on vacation, injured, or chooses to discontinue their membership, the page can be recovered and not have to start from scratch. This also prevents “duplicate” pages, giving the appearance of disorganization.

Any Chapter Page title should clearly identify the Name of the Post, it’s city and CHAPTER number.... not “Post” number.

Chapter pages should also contain an invitation to join and clearly state when, where and at what time the Chapter holds its meetings.

It is highly recommended that all posts to the Chapter Page be set to require administrator’s approval before it is posted to the page. This can be set up through the administrators’ “tools”. This can save you a lot of headaches down the road.

It is also recommended that the older and no longer relevant posts be deleted regularly. Only the person who created the post or the administrator of the page can delete these posts.

If you advertise an event to raise funds for a specific cause, it’s a really good idea to also post the results of the fundraiser. How much money was raised? Are there pictures of the Chapter presenting a check? Is there a thank you letter from the beneficiaries? All of this is excellent information to put out on social media.
