*A Tradition
of Leadership*

What is Keystone Boys State?

Established 1936, Pennsylvania American Legion Keystone Boys State is an educational workshop for high school student leaders. Students selected to attend KBS have the opportunity to gain leadership skills through an intensive week-long summer program. The focus of KBS is its hands-on simulation of municipal, county, and state government.

About Keystone Boys State

Keystone Boys State is a youth leadership and citizenship program operated by The American Legion, Department of Pennsylvania. There is **no cost** to you or your family. This is a fully sponsored program. For more than 75 years, KBS has developed informed and responsible young leaders through:

Leadership Development

Hands-on training through a simulated government built and run by the students.

Civic Education

Learn how government functions through real campaigns, elections, debate, and legislation.

Scholarship Opportunities

Eligibility for awards including the Samsung American Legion Scholarship.

Career & College Readiness

Connect directly with colleges, career seminars, and a standout résumé.

Program Areas

Encompassing all levels of government and citizen life, program areas like Media, State Police, Intramurals, Businesses and other areas make up KBS.

Scholarship Opportunities

- Keystone Boys State is proud to offer various scholarships including the Samsung Scholarship and various scholarships within our program.
- Applicants must demonstrate strong leadership, character, and scholarship potential

SAMSUNG
